Good morning Matt,

Not sure of the next move. Waiting for Steve Kelland to get papers from probate. Tacna is not an incorporated town. So not sure which direction to go next.

I spoke with Rachel Stallworth from Yuma County yesterday. She is also not sure what we do first

Any direction you might have for us would be appreciated. Thank you Nancy Miller

Good morning Matt

Just an update on Tacna Water Co. The sons of the deceased owner have stated that they are not interested in the water company.

That leaves this company open to becoming a public system.

Update on Green Acres.

There have been no complaints regarding low pressure. Putting that other well back on line has helped tremendously. I have tried for 2 years to get that done. So THANK YOU and Commissioner Tobin for pushing that through.
